Welcome to Poplar Union Our Visual Story

You are coming to Poplar Union.

This is what the outside of our reception entrance looks like:

You will arrive at this entrance for most daytime events or activities. There are two entrance doors to go through, then you will be in the foyer.

This is what the inside of Poplar Union looks like - this is our foyer and community gallery space. The artwork displayed will be different each time you come. There are also toilet facilities, changing rooms, and a drinking water fountain.

This is the Poplar Union office. It's on the right when you come through the entrance doors. It is also the box office, so if you would like to purchase tickets in person, this is where you should come. Or you can call us on 020 3039 3333.

This is the e5 Roasthouse cafe entrance to the building. We are below a residential flat block so we are recognisable by the orange and yellow blocks on the building. You will use this entrance for most evening shows and performances.

This photo shows our car park. Let us know if you would like to reserve an accessible parking bay.

This is what e5 Roasthouse Cafe looks like when you walk into the building. When the cafe is busy, it can be quite loud. They also play background music when they are open.

The cafe opens out into our Library space which is used as a cafe in the daytime but also holds some of our events such as Live in the Library (live music) and Poplar Poets Society (a meet up group) in the evening.

This is another photo of the Library space - with a view onto Bartlett Park.

We are situated on Bartlett Park. There is currently building work happening on the park which will be finished in 2020. You can find our more information about this via the Tower Hamlets Council website. We also have a lovely view of Canary Wharf!

This is our studio, Betty. This is where our bigger events take place such as theatre shows, live music, film screenings and dance performances.

For some events, the black curtains will be drawn, so you won't be able to see the windows. There might also be chairs, tables or a stage in Betty, depending on what event you are coming to.

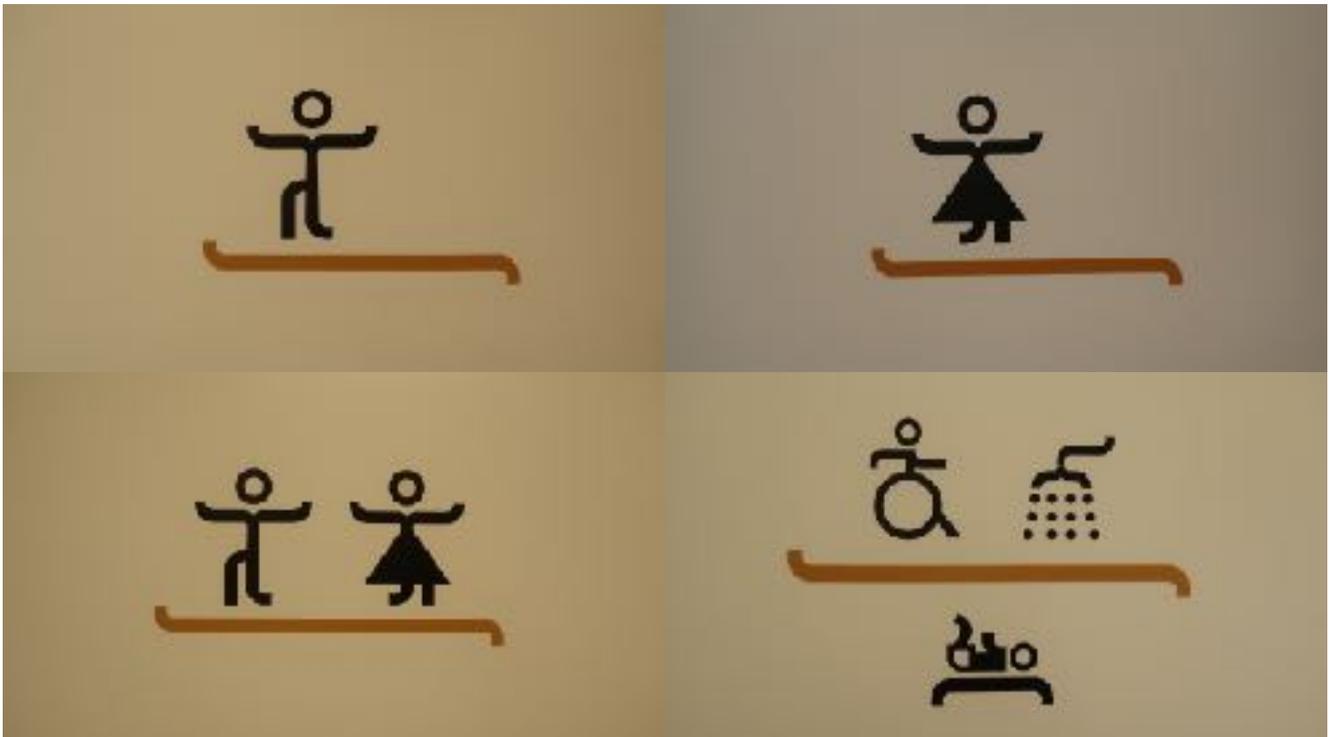

This is Mike, our smaller meeting room. This is used for smaller events such as writing workshops or drama club.

There are blinds on the windows that can be lowered. For some events, this room will be clear of furniture.

These are the signs for the toilets which can be located in the foyer / community gallery space, or in the cafe.
